Qualifi Level 5 Diploma in Business Management

Course Overview

The Qualifi Level 5 Diploma in Business Management programme deals with complex and challenging organisational issues and opportunities. The units are closely linked to current day real world and work challenges and the qualification will test and develop learners' workplace experience and abilities.

Learners will be required to make judgements and provide creative and practical solutions and ways of responding to organisational challenges and problems. The Level 5 units are also designed to dovetail into a top-up undergraduate year at a UK University. The qualification is made up of six mandatory units.

Mandatory Units

- Responding to the Changing Business Environment
- Effective Decision Making
- Business Development
- Business Models and Growing Organisations
- Customer Management
- Risk Management and Organisations

Progression Pathways

Upon completing this Level 5 diploma, learners can progress to the final year of an undergraduate degree.

Learners can also step directly into employment in an associated profession.

Entry Requirements

Learners will be expected to possess qualifications at Level 3 and/or 4. Or learners may have a first degree in another discipline and want to develop their own business or shift careers.

Learners can possess work experience and demonstrate drive and ambition to start their own business, or work.

"We work well with Qualifi. They are serious in their management, compliance & governance. This gives us a lot of confidence that their qualifications are fit for purpose and are well recognised by Universities."
